Address: P.O. Box 663 Huntington, WV 25711

Huntington, WV – Saturday, April 6th from 10am to 2pm in the gymnasium of Huntington High School. The Annual Resource Fair for families of children and adults with disabilities will be held at #1 Highlander Way in Huntington. You will be amazed at the variety of vendors and the number of families that participate. Important information and resources about chronic conditions and tools for a life of independence will be available. The expo will feature family friendly activities, a photo booth, free food, inflatables and more.

About One4All: One4All Disability Expo is an annual resource fair offering the community a wide range of information on topics of concern related to special health care needs. The Expo has successfully served the tri-state area of West Virginia, Ohio and Kentucky since 2008.

Individuals with disabilities and their families are trying to access the resources, services and care necessary to be active in their communities. Medical professionals may lack the staff and time to stay current on available services and resources for their patients. No one should go without necessary services or feel as though they are alone in this process. The One4All Disability Expo bridges this gap, hosting an event bringing everyone together offering information on local, state and national resources.

The One4All Disability Expo adapts each year, growing to serve individuals and their families regardless of age, diagnosis or prognosis. Our goal is to ensure all individuals have the information and resources available to reach their fullest potential.

Interested community vendors may register by March 23, 2019 with a \$40 payment. Contact Shellie Mellert at mellert@marshall.edu or 304-633-2491 for more information.
